The amendments:</p> <ul style="list-style-type: none"> - Add a provision reserving initiative and referendum to the City voters as required by the Oregon Constitution. - Clarify that the council adopts legislation by ordinance, administrative rules by resolution, and quasi-judicial decisions (for example permit appeals) by order, consistent with most cities. - Revise language from the 1953 charter to eliminate inferences that the mayor or a councilor cannot attend a meeting electronically. - Change the title of the chief executive officer from "city administrator" to "city manager" to reflect the duties of office approved by the city voters in 2002. - Eliminate the requirement that an ordinance be read twice by title prior to enactment as long as the proposed ordinance is made available to the public at least a week in advance of the meeting. - Eliminate provisions relating to elections now governed by state law. - Revise language, correct grammar, and reorganize some provisions to improve clarity. 	<p>26-167 Citizen Control and Oversight of Compensation for Gresham Councilors</p> <p>Question: Shall the volunteer Gresham Finance Citizen Advisory Committee oversee and approve any compensation for Councilors of the City of Gresham?</p> <p>Summary: Gresham's Charter prohibits City Council from setting its own compensation; does not establish a method for citizen oversight and control of compensation. If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.</p> <p>Summary: Clackamas County Fire District No. 1 is seeking voter approval to issue general obligation bonds to finance capital costs for improvements across the Fire District. Specifically, if approved, this measure would fund the construction and equipping of new facilities, purchase emergency apparatus and firefighting equipment, and improve Fire District facilities focusing on safety and service delivery. Projects include the following:</p> <ul style="list-style-type: none"> • Purchase emergency apparatus to replace aging fire engines, ladder trucks, water tenders and other emergency response vehicles; • Replace Self-Contained Breathing Apparatus for firefighter health and safety; • Construct and equip new Fleet Maintenance Center to maintain, repair and service emergency apparatus and related projects; • Redesign and construct Training Center to include community training sites; • Upgrade and improve Fire District community fire stations, facilities, and infrastructure; • Replace and upgrade communications equipment and infrastructure; • Add and/or replace community fire station(s), including land acquisition; • Pay the costs of issuing the bonds. <p>Bonds would mature in 16 years or less from issuance date and may be issued in one or more series.</p>
